### On the Swing again !

Montreal, Thursday, June 23 – **CHRISTINE TASSAN ET LES**

**IMPOSTEURS** are continuing their spring tour. This summer, the all-woman band will be performing in Quebec and Ontario, and traveling as far as Saint-Pierre and Miquelon!

Our four musicians will celebrate Saint-Jean-Baptiste Day (June 24) in LaSalle, before performing at the TD Sunfest in Ontario (July 9-10), and in Repentigny (July 15). Afterwards, it's off to Saint-Pierre and Miquelon for four boisterous concerts at the Festival des Déferlantes Atlantiques (July 22-25)!

Back in Quebec, the four women will be in Vaudreuil-Dorion (August 2), at the Montreal Classic Boat Festival, in the Old Port (August 19), and at Tremblant's Fête de la Musique (September 3). The tour will be winding down at the Sudbury Jazz Festival, Ontario, September 8-9.

Don't miss these virtuoso musicians known for their energy-infused music, humour and *joie de vivre*!

**CHRISTINE TASSAN ET LES IMPOSTEURS** is an all-woman group that has been playing *Gypsy jazz* (also called *Manouche jazz*, hence the title of their album) in theatres and festivals in Quebec, English Canada and France since 2003. This unique group is known for energy-infused music and a great sense of humour. Their most recent album, *Pas manouche, c'est louche*, was nominated for an award at the 2010 edition of the *Gala de l'ADISQ*.
